1 Night 12 Kitchens

2009

Cincinnati Magazine and Cincinnati State present the fifth annual "1 Night 12 Kitchens" fund raiser. Over 25 of the area's top chefs will team with MCI faculty and culinary students to showcase the twelve kitchens at the Midwest Culinary Institute. The event benefits the Cincinnati State College Foundation culinary scholarships. Last year's event raised \$60,000, enabling 20 students to attend MCI.

50,000 programs for the event will be bound into the April 09 issue of Cincinnati Magazine and distributed to over 700 guests at the event. Additional overruns will be used by MCI.
